'NATS ENTERTAINMENT

Beer, big engines and burnouts = bloke heaven!

CANBERRA was once against transformed into a revhead's paradise last month when the **29th annual Street Machine Summernats Festival** hit town.

The hottest rides in the land went head to head in a bunch of categories, tyres were shredded in the burnout comp (notice this punter's "necklace"?), fancy driving was displayed and the legendary Hoodoo Gurus came out to rock everyone's world.

In the end, the coveted title of Summernats Grand Champion went to top bloke John Saad for his stunning 1972 Mazda RX3 known as "FATRX3". But, really, everyone who attended the long weekend of auto-appreciatin', tyre-smokin', heavy-drinkin' action left feeling like a champ.

The editor's already started doing up his Nissan Pintara in preparation for next year's beano...

HEART
BREAKER

PAGE 3 superstar **Lucy Pinder** is making sure she leaves a lusty (and busty) legacy for future babes with her recently launched website Britfox.com!

Yep, Miss Pinder hopes to find the naughtiest tea-drinking, scone-eating, soccer-watching Pomgolians to put on her very sexy site.

And while no single chick could EVER replace the 32-year-old lungs-out legend, we're excited to keep checking in to see the stunnas she unearths in her travels.

'I GOT TO DO A BOLLYWOOD FILM IN MUMBAI'

"I'm hell-bent on finding the BEST unknown British models," she explained, "so I launched my site last year as a platform to discover and celebrate future generations of models.

"They're going to need a certain look, a certain style, a certain...well, Britishness in order to join our merry ranks."

And have fucking hyoooge norks, obviously.

As if being a sizzling supermodel and top-notch talent scout wasn't enough to keep her run off her feet, Lucy's also having a big crack at movie stardom.

"I've been out in Los Angeles trying my hand at acting and having a brilliant time," she said. "I loved being in the USA – everyone's really friendly. I recently got to do a film over in Mumbai, too. THAT was an experience I'll never forget." ▸

Hollywood, Bollywood…we'd watch Pinder's pups in ANY language. Especially if there's a 10-minute scene dedicated to them being freed and massaged slowly with some sort of scented oil, followed by a stirring song'n'dance routine.

With her busy-as schedule, we sure hope Lucy doesn't forget our Valentine's Day invitation. Again.

Either our carefully handwritten letters of love are getting lost in the post every year or she's not taking us up on our offer of an intimate date involving a bottle of cooking sherry, dinner at Maccas, followed by a quick tumble in the back of our Nissan Pulsar.

Or maybe she finds the Photoshopped images of us with her that we include in the letters just a LITTLE bit too creepy to handle.

Whatever. WE think they're romantic.

'I WEAR AS LITTLE AS POSSIBLE IN LOS ANGELES'

MIAMI SPICE

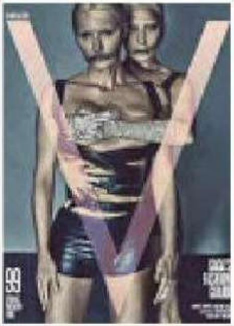
STACKS ON THE BEACH

DON'T ask what UK reality TV starlet/glamma Jemma Lucy, 27, is doing in Miami, just go with the flow. The flow and the enormous pierced boobies the *Ex On The Beach* cast member is sporting! According to the gossip sites, Jem has lost her fella to a co-star. Mate, if you're after a rebound root to make him jealous, our phone number's at the front of the mag.

V COOL

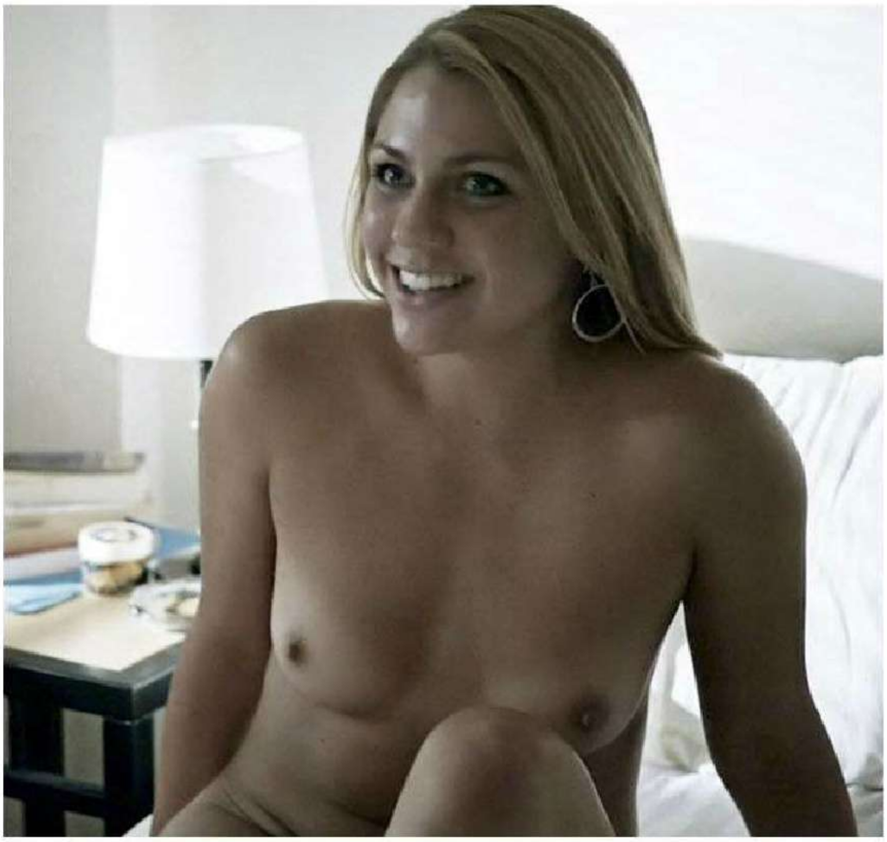
GAGA FOR TATA

FIERCELY fashionable popster **Lady Gaga** clearly doesn't give a damn that her leftie is protruding in this Steven Klein shot for issue 99 of *V* mag (which she also guest edited). We do, though. Any chance to perv on the 29-year-old's perkies and we're there. The ish is available with 16 different covers, but it's impossible to go past the image of LG grabbing a loving handful of beer heiress **Daphne Guinness**. Cheers, ladies!



SIX BOMBS

THE sixth season of the US *Shameless* is off to a rip-roaring start courtesy of 42-year-old **Sasha Alexander** (above) and 25-year-old **Paige Diaz**, whose characters in the comedy-drama apparently prefer to sleep nekkid. Or maybe they don't. Maybe some dude in the wardrobe department just "forgot" to have their jim-jams ready in time for episode one. It's what we'd have done.



HD VISION

VOTE FOR HILARY

AN EARLY contender for Unexpected Perv Of The Year is this fan snap of the multi-talented **Hilary Duff** out and about in New York City. Emphasis on out. Hils is currently appearing in a supporting role in cable program *Younger*, the tale of a woman who lies about her age in order to score a hip publishing gig. Obviously, that'd be no problem for The Duff-ster, who's only 28 – and dresses like this.

GLOBALISATION

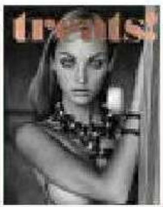
A CURVIER KIRSTEN

***PEOPLE* favourite Kirsten Dunst is looking extra busty lately, and the 33-year-old hottie says it's because she deliberately put on weight for her part as Peggy Blumquist in series two of quirky crime show *Fargo*. Kiki, seen here at the Golden Globes shindig, told a reporter she bolstered her curves with lashings of bread and cheese. Hmm...wonder if she's in the market for a personal toastie chef/full-body masseur.**

VERY RUDE RECORDINGS

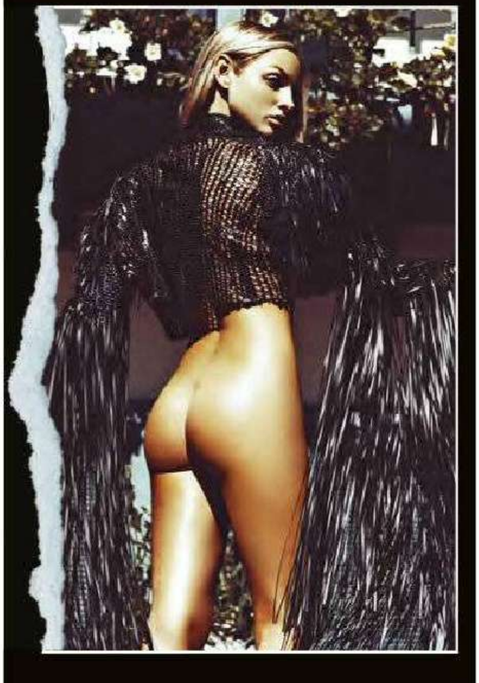
BEFORE we tell ya the name of this 2015 film, we'd first like to point out that British actress **Bel Powley** is 23. Right, now that's clear, we can reveal that the flick's called *The Diary Of A Teenage Girl*, with spunky little Bel as the titular teen, exploring her sexuality in various ways...er, including having a fling with her mum's boyfriend.

TREAT SEEKING



UP THE SHEITER!

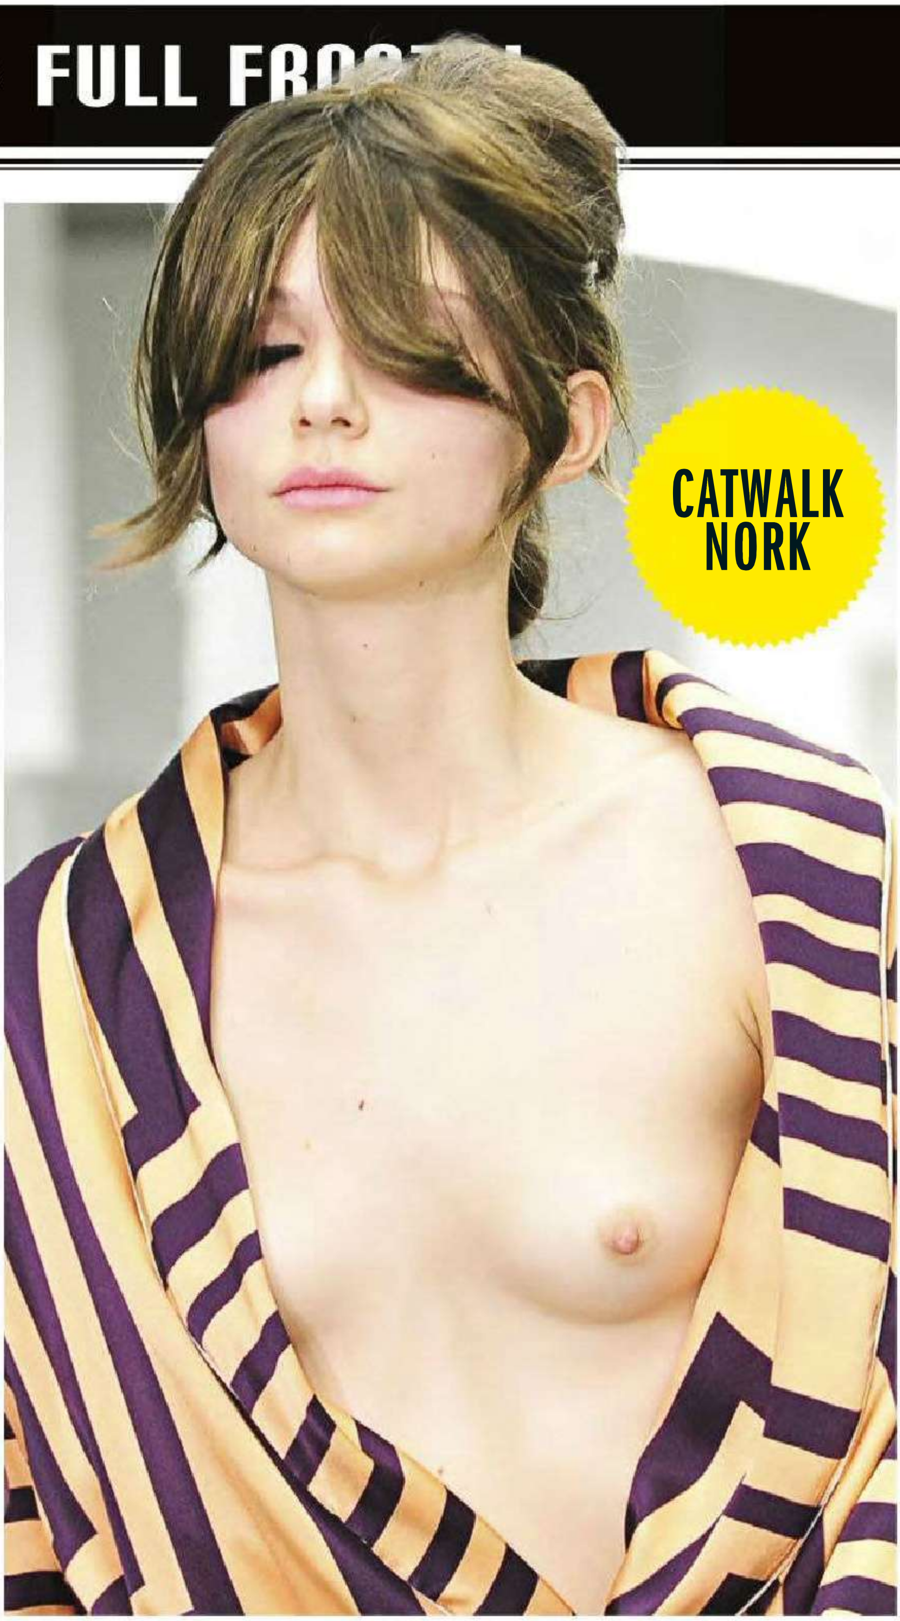
HURRAH for Russian-American megamodel **Kristina Sheiter** and long may she pose for splendidly erotic pictorials like this'un by Kesler Tran in *Treats!* #10. Some have said Kris, 24, resembles a younger, even sexier version of Victoria's Secret Angel Candice Swanepoel. Others have said, "The combination of raw beauty and artful photography is inspirational. I'm off to masturbate myself unconscious."



HELLO, I'M...

KAYLA PAIGE

THERE are so many stunnas in porn, it's hard to monitor them all. So it's worth us occasionally running a still-smokin' veteran in this section. Like Kayla Paige, 32, who's been in the business for 14 years, progressing from newbie fillums such as *Young Stuff 9* to mature fare like *Super MILFs*. The 34C brunette has literally shagged her way along the XXX timeline!



CATWALK NORK

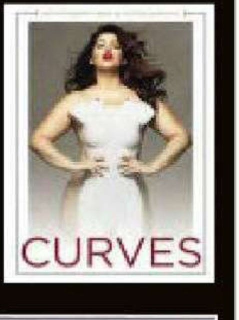
COAT OF CHARMS

THEY reckon London sets the style trends for much of the planet. Let's bloody well hope so! 'Cos we'd be stoked if the chicks in our neighbourhood began getting around in gear like this loose-fitting coat from a recent Katie Eary fashion show in the UK capital. Oh, yeah, we're huge fans of diagonal orange and purple stripes. Bared bosoms aren't bad, either.

FAMOUS FIGURE

STS BROADCASTING

THE daughter of B-movie queen Shannon Tweed and KISS bassist Gene Simmons, **Shannon Tweed Simmons**, 23, has been in the public gaze before, in reality telly's *Family Jewels* and *Shannon & Sophie*, and horror short *A Very Satan Christmas*. However, she's never exposed herself to the camera quite like this. You're ogling an example from Victoria Janashvili's sensational coffee-table tome *Curves*, which "does exactly what it says on the tin".



PSYCHIC BOTLINES

BRAZILIAN actrine **Luisa Moraes** is utterly convincing as an attractive sheila taking a bath in new psychological thriller *Solace*. The 2015 picture also features Colin Farrell as a killer with psychic powers who's being hunted by the FBI and another psychic (Sir Anthony Hopkins). Fortunately, the supernatural nonsense is balanced by the powerful realism of 29-year-old Luisa's soak in a tub.

RELIEF WORK

SHARING THE LOVE

The freshest flesh on celeb social media

German pin-up/*People* mag regular **Micaela Schäfer** tempted her Snapchat recipients with champers...and delicious cupcakes.

"Would you follow me into the darkness?" asked fitness module **Yovanna Ventura** in reference to this Instagram pic. Fuck oath!

TIT & POLISH

GORA'S NORA

THE cutie blowing you a kiss is Polish-born, US-based model/ actorette Lena Gora, who delivered this ocular feast at the BAFTA Tea Party in LA. Why the fart a British awards ceremony feels the need to serve aromatic beverages at a function in California, we don't know. What we do know is that breasts are great. Especially gorgeous naturals like Lena's.

WOLF RACK

CRY BABES

"THE moon is high – and so is the body count!" boasts the trailer for low-budget Pommy horror comedy *Crying Wolf*. And so, dear readers, is the tit count! Try to contain your inner animal at these grabs of (top to bottom) **Gwenllian Higginson**, **Olivia Jewson**, **Chloe Farnworth** and **Lisa Ramon**. And keep your eye on the bargain bin for a DVD copy of the 2015 release.

Brett had wanger management issues with Charlie Sheen

BRETT'S CUMBACK

XXX goddess **Brett Rossi** is attempting a comeback after two years away from the sperm-splattered cameras and has apparently already shot her first scene.

In a radio interview, the 26-year-old said she was returning to porn because mainstream acting was "boring" (in other words, she couldn't find any work).

But we don't expect Brett to stay for long, especially if her lawsuit against ex-fiancé and diseased fucker Charlie Sheen is successful.

She's accused the wild actor of hiding his HIV status from her before they had unprotected sex. If her claims of assault and emotional distress are upheld by the court, then expect Brett to become a millionaire overnight, which almost certainly will end her cock-gobbling-on-camera career for a second time.

That said, we can't imagine there are too many porn stars cuing up to fuck Brett after she's been tainted by Charlie's gnarly dick.

SUPER FUCKERS

IMAGINE Storm giving Luke Cage a two-handed handjob. Visualise Captain America getting his meat-shield polished by Kitty Pryde. Or fantasise about Banshee wailing on the Wasp's arse during an X-traordinary anal pounding.

Imagine no more, because mad genius Axel Braun has made your demented superhero fantasies a reality in his new parody fillum ***Avengers vs X-Men XXX***.

The plot sees randy mutants The X-Men clash with horny government agents The Avengers… mainly in the bedroom.

A super cast includes **Chanel Preston** (right), **Zoe Voss, Jazy Berlin** and legendary woodsman Tom Byron as Magneto!

"As a comic fan, this is the movie I've been eager to see!" said geeky perv Braun. "We created a spoof that's as fun, sexy and entertaining as I'd hoped."

Which is a helluva lot more value than we got out of *Avengers: Age Of Ultron*.

TATE OF *play*

Cosplayer Tania prefers to be naked

FEMME FACTS

Name: Tanya Tate
Age: 36
From: Liverpool, England
What's the guts? She may like dressing up as a superhero for fun. However, kinky cosplayer Tanya's much happier when she's undressing to become an on-screen super-fucker!

'PORN ALLOWS ME TO PLAY OUT MY PERSONAL FANTASIES'

IF WE cleaned swimming pools for a living, we'd definitely chuck on a fake moustache and park ourselves on the front doorstep at **Tanya Tate**'s home, buzzing her bell like there's no tomorrow, leaf skimmer in hand.

After we featured the lusty Liverpudlian in the November 9 *Porn Watch*, we received countless telegrams and faxes from readers demanding more pix of the carnal cougar.

So here they are for your trouserless enjoyment. But Tan's not just a jiz-gargling XXX starlet; she's also a keen cosplayer and self-proclaimed geek.

"One of my hobbies is going to comic book conventions and cosplaying as sexy superheroes," she confesses. "Seeing movies like *Superman II* made an impression on me which, years later, led me to cosplaying

She was so busy dressing up as Wonder Woman and Xena the Warrior Princess that Tanya didn't think about getting into porn until she was 30!

"I was working in an office and was looking for something more exciting in my life," she reveals. "I was watching an adult movie with a friend and decided I wanted to do it."

Tanya reckons what she ves most about the industry is the chance to "play out m personal fantasies both on and off camera".

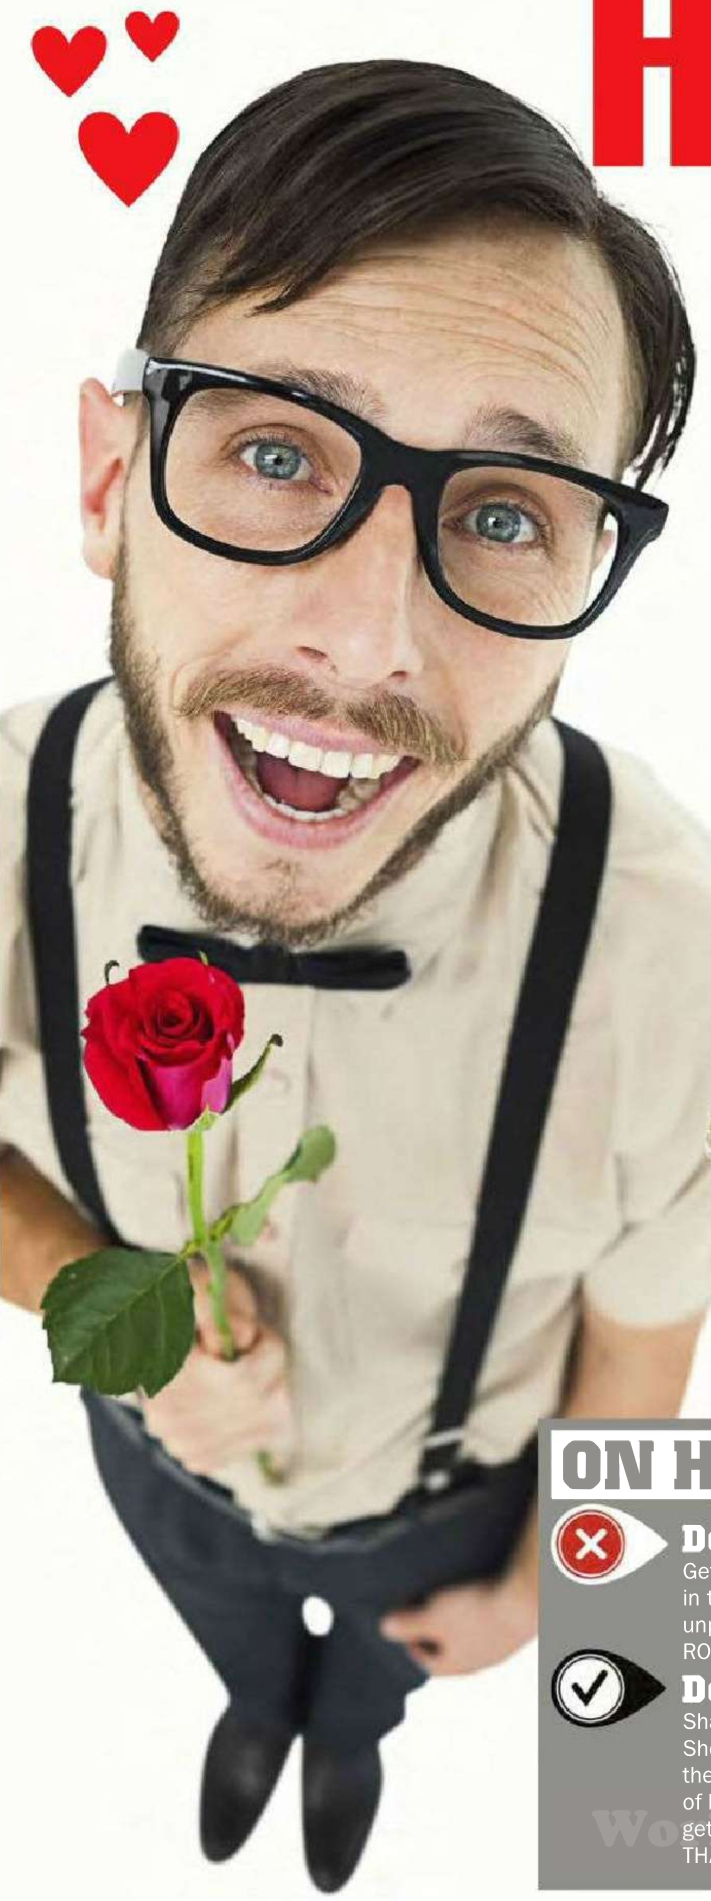
Such as…?

"I've had so many amazing times with so many sexy people on set. I had a three-way with Celeste Star and Jessi Palmer in *Tanya Tate's Tea & Muffin Party*. Having a tongue in your pussy and arse at the same time is an amazing feeling."

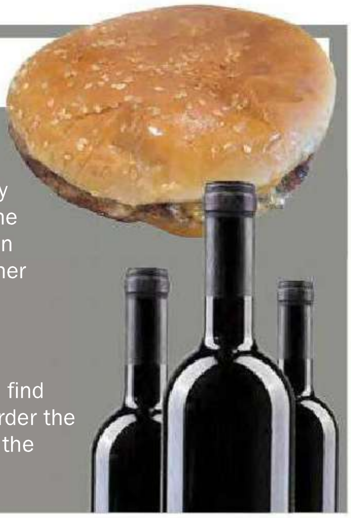
The *People* guide to…

HOW TO

AND



AT DINNER



✗ **Don't**

Take your lady out to a greasy fast-food chain. Otherwise, the only thing she'll be sucking on after the meal is the rest of her strawberry thickshake.

✓ **Do**

Take your credit card out and find a fancy restaurant. Pro tip: order the SECOND CHEAPEST wine on the menu – it's not as obvious.

AT THE MOVIES

✗ **Don't**

Force a hole in your popcorn box and drop blowjob hints by subtly shoving her head down there during the previews.

✓ **Do**

Hand-feed her popcorn at a chick flick of HER choosing. You'll totally be watching gang-bang pornos later at home while doing her doggy style, so it's worth the effort.

ON HOLIDAY

✗ **Don't**

Get plastered and pass out in the sun before you've even unpacked. Holidays are for ROOTING, not sunbaking.

✓ **Do**

Share a spa with your missus. She can have orgasmic fun with the jets while you blast a load of baby batter on her face, THEN get plastered and pass out. THAT'S the gentlemanly way!

BE ROMANTIC SHIT

WE USUALLY channel our romantic side with a cheap red, a takeaway pizza and the classic Aussie rom-com *Strictly Ballroom*. It makes the missus GOOEY between the thighs EVERY time. But there are plenty of other equally effective ways to get your significant other revved up and KEEN TO SUCK PEEN. (Or at least LESS KEEN to NOT suck peen.) That's why we've quickly cobbled together this list of the dos and don'ts of romance. Follow our advice and it'll help pave the way for what we ALL really wanna receive from our partner this Valentine's Day: SEXUAL INTERCOURSE.

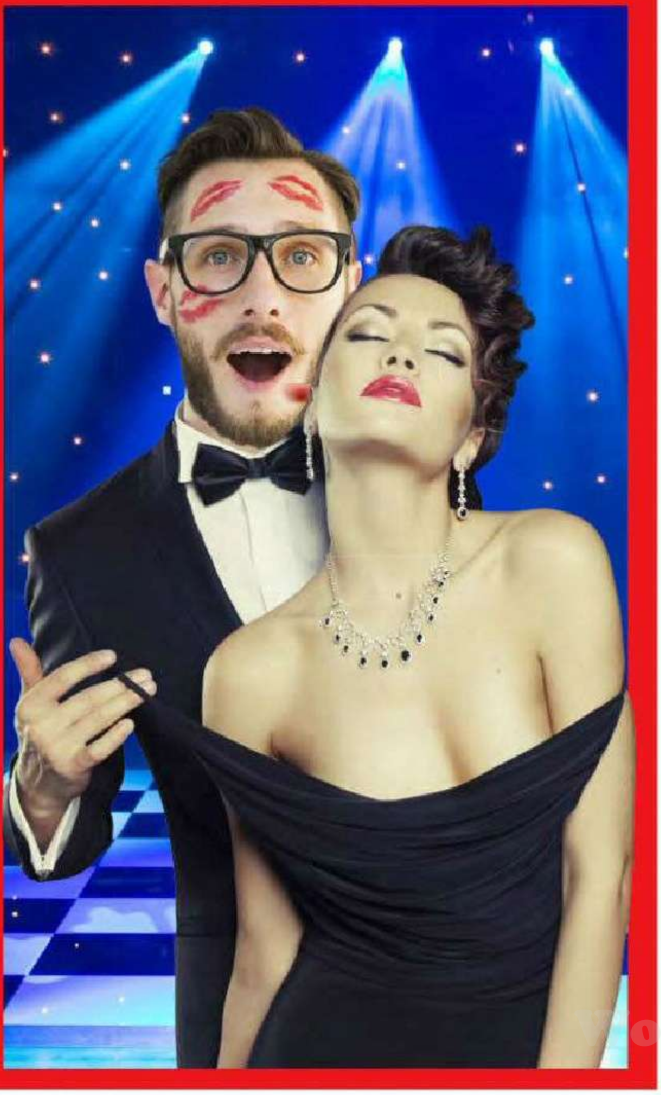
AT THE NIGHTCLUB

Don't

Give other blokes death stares while holding her arse firmly all night. Let her SHAKE IT a bit.

Do

Whisper sweet nothings in her ear – preferably in French – over a delicious Espresso Martini while dressed sharper than James Bond himself.



DOWN THE BEACH

Don't

Take her to a knob-filled nude beach and expect her to get turned on by the sight of so many veiny tools. Besides, they're all much BIGGER than yours.

Do

Take a picnic hamper to a secluded cove and work your pantsless magic. Except for getting the odd bit of sand in her own inlets, she'll bloody LOVE it!

IN BED

Don't

Jump onto the bed with your wang waving in the air, wearing an idiot grin, expecting a heavenly hummer. Chicks HATE selfish lovers, OK?

Do

The opposite. She's a goddess, so your ONLY responsibility is to make her climax again and again. Plus, if you get her to SQUIRT, you'll feel like Oz's answer to Ron Jeremy!

SNEAKER PEEKS

Hot babes show off their hotter trainers!

THE other day, we were walking through the CBD and noticed a bunch of young folk in a long queue. Some had blankets, while others were sitting in folding chairs. They appeared to have been lined up for days. We wondered to ourselves what could make grown men and women do that.

"Free beer?" we asked hopefully.

"Nah," replied one pimply youngster. "New trainers – and they're RED!"

What the fuck? As unfashionable slobs, we tend to stick to thongs or Blundstone work boots. But apparently getting yer hands on brand-new, flashy sneakers is THE THING TO DO.

Frankly, the only way you could convince US to queue up for kicks is if they were on the feet of highly rootable spunks like the gals featured here.

Actually, we'd line up for free beer, too. As long as it wasn't friggin' Foster's.

HOLLY ERIKSSON

FACT 1

THE term "sneakers" is said to originate from the fact that rubber-soled shoes of this kind are easy to sneak around in! Other names for the globally popular footwear include takkies (South Africa), gutties (Canada) and canvers (Nigeria).

AMBER BOWLES

FACT 2

ACCORDING to *Guinness World Records*, the most expensive trainers on the planet are five pairs of Nike Dunks coated in 18-carat gold by fashion label Ju$t Another Rich Kid at a cost of more than US$2000 per shoe.

KAYLEIGH MALLEN

FACT 3

A LOT of us were told growing up that kicks over a powerline meant there was a drug dealer/ den nearby. Many claim that's an urban myth. Other possible reasons for the phenomenon include bullying, artistic statements, losing one's virginity and mafia warnings!

JENNY MILLER

ALI ANDERSON

FACT 4

IN A 2014 interview, US rapper Wale revealed that he owned more than 500 pairs of sneakers, with dedicated shoe-storage rooms in Los Angeles, New Jersey and at his mum's place.

FACT 5

MOST of us have owned a pair of Dunlop Volleys at some point in our lives. The Aussie favourites – traditionally white with green'n'gold trim around the heel – were launched back in 1939. Known for their good grip, they're beaut for bushwalks, roof tiling and much more.

SHELLEY RAE

FACT 6

IN THE 2003 movie *Kill Bill: Volume 1*, when Uma Thurman's character is getting about in a Bruce Lee-esque yellow and black ensemble, the soles of her Onitsuka Tiger Tai Chi sneakers are glimpsed for a split second. The tread on the bottom reads "FUCK U".

Night to remember

AT THE supermarket checkout, a guy is slightly perplexed when an attractive young woman waves and comes over to say hi. She looks familiar, but he can't quite place her.

"I'm sorry, but my memory is terrible. How do I know you?"

"I wouldn't expect you to remember," she replies, "but I think you're the father of one of my kids."

At this, the bloke's memory is suddenly jolted, and he thinks back to the one moment, two years ago, when he was unfaithful to his wife.

"Oh, my god," he groans. "You're the stripper from my mate's insane bucks' night on the Gold Coast. We were all in costume and I was the green Teletubby. Then I met you again in Macca's and we ended up banging on a pool table while people watched. Please, please don't tell my wife."

"Actually," she retorts with one eyebrow raised, "I'm your son's kindy teacher."

Lust without you

THIS morning, as I was about to head to work, I realised I'd lost my keys for the third day in a row. Eventually, my wife found them and jingled them loudly in front of my face.

"That's easy, my love. Your sister and your best friend, for starters."

A YOUNG Australian bloke was on a sightseeing tour of the USA. By the time the group reached the Grand Canyon, he realised that a large, middle-aged Yank chick was shadowing his every move.

Eventually, she was standing so close by his side that he thought he'd better make conversation.

"G'day, miss. Did it hurt when you fell from up above?"

"Aren't you a sweet one?" she drawled, flicking her hair and batting her lashes. "You tryin' to flirt with me and get into my pants with that cute accent of yours?"

"Nah," said the Aussie, gesturing at the huge canyon in front of them, "just trying to figure out how this got here."

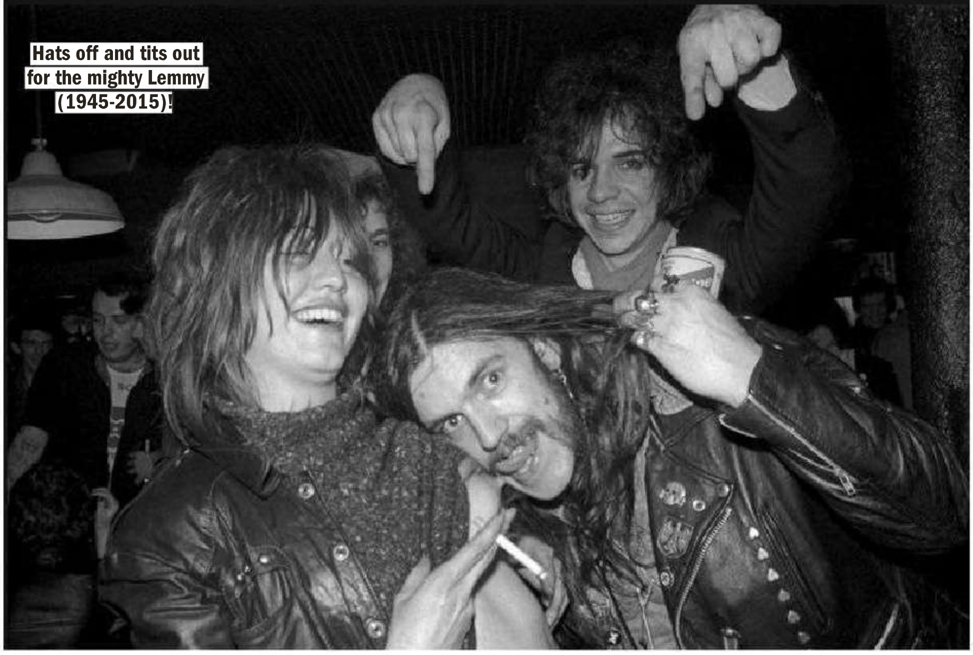
A LEGEND LOST

VALE LEMMY!

I'M SURE I wasn't the only person raising a glass of Jack Daniel's to Motörhead main man Lemmy on New Year's Eve. Truth be told, I raised several. It's what he would have wanted.

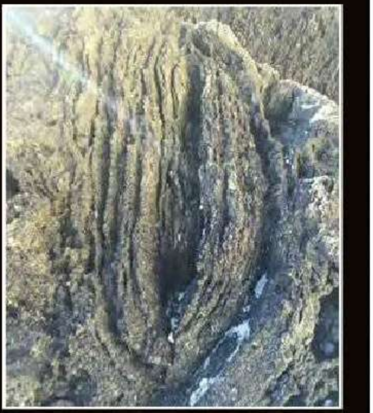
Russell, Qld

Like you and many others, Russ, we were shocked by Lemmy's sudden death on December 28. The world is a shitter place without him, but what a musical legacy – and what a life he lived!



Hats off and tits out for the mighty Lemmy (1945-2015)!

THINGS THAT LOOK LIKE GENITALS



"ROCK vagina on Frenchman's Beach, North Stradbroke," explains **Shane via email**, who adds, "Keep smiling!" We will. Keep finding those VERTICAL smiles in the great outdoors, readers!

Send your letters and pics to: The Keeper, c/- *Animal House*, *People* magazine, GPO Box 2860, Sydney, NSW 2001. Or email us at people@bauer-media.com.au (with *Animal House* in the subject line).

REAREST & DEAREST

SAMI BUT DIFFERENT

HEY, guys, any chance of a bum shot of Jan. 18 Model Citizen Sami? I need to know if she looks as hot from the back as she does from the front!

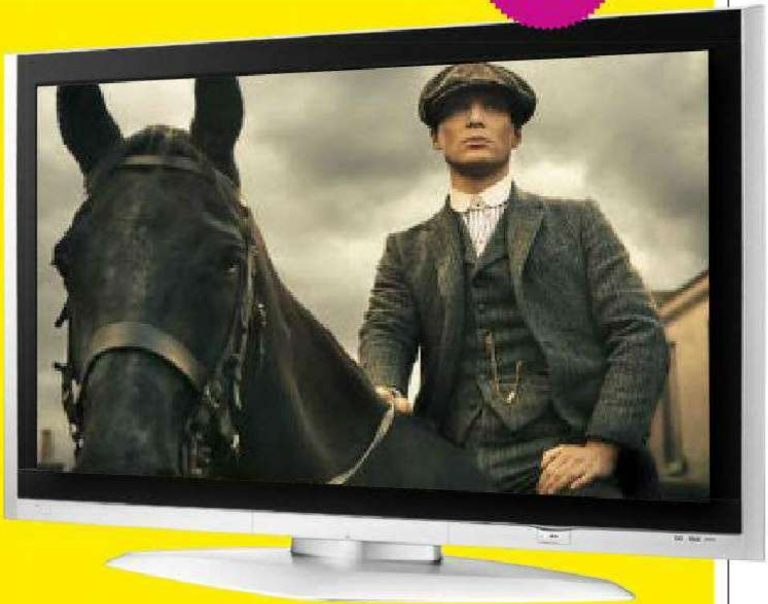
Scooter via email

She definitely does – and here's the proof. Thanks for the letter, Scooter. Anyone else who'd like an extra perv at their favourite Model Cit, please write and let us know!

SHOWS WHAT YOU KNOW

WIN $50

CAN you name this English crime drama currently filming its third series (and being raved about by our pal Bogdan)? You could win $50! Write the answer on the back of an envelope and send it to *Shows What You Know #04*, c/- *People*, GPO Box 2860, Sydney, NSW 2001. Nov. 23's program was *Hell On Wheels*. The winner was **Kenneth of Vic**.



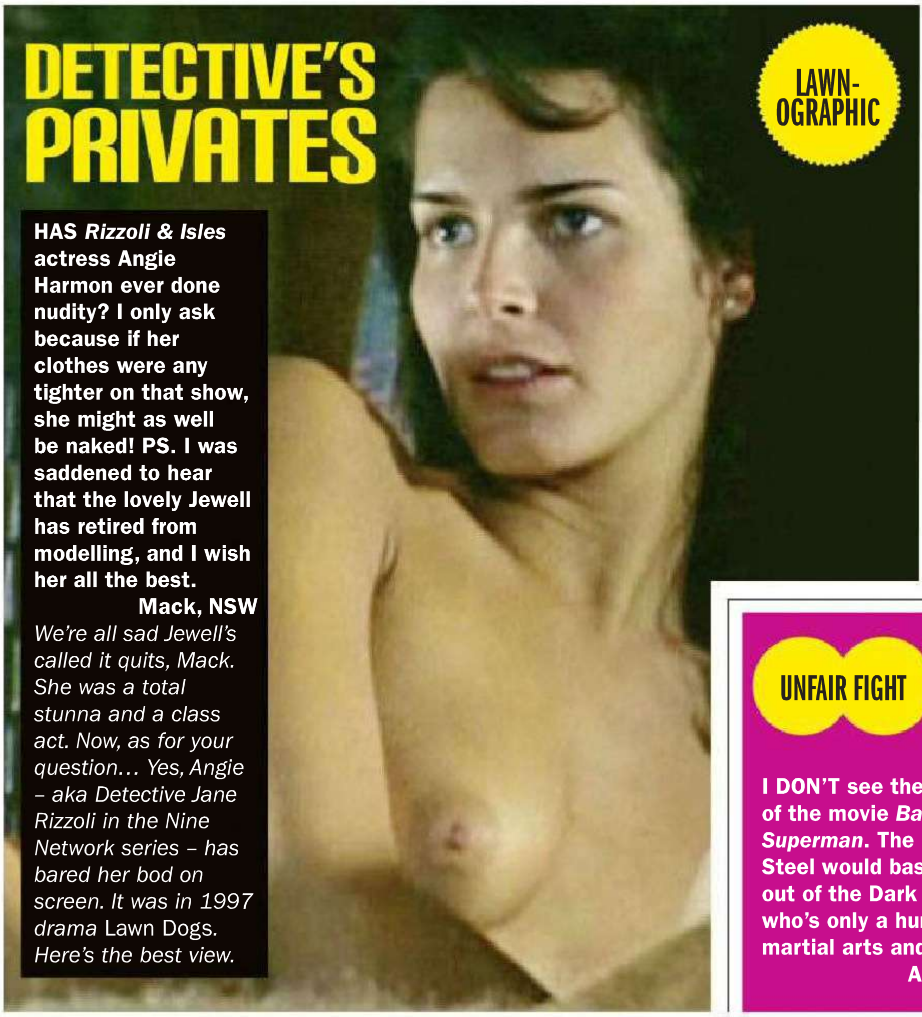
DETECTIVE'S PRIVATES

LAWN-OGRAPHIC

HAS *Rizzoli & Isles* actress Angie Harmon ever done nudity? I only ask because if her clothes were any tighter on that show, she might as well be naked! PS. I was saddened to hear that the lovely Jewell has retired from modelling, and I wish her all the best.

Mack, NSW

We're all sad Jewell's called it quits, Mack. She was a total stunna and a class act. Now, as for your question… Yes, Angie – aka Detective Jane Rizzoli in the Nine Network series – has bared her bod on screen. It was in 1997 drama Lawn Dogs*. Here's the best view.*



NOT-SO-SUPER CONCEPT

UNFAIR FIGHT

I DON'T see the point of the movie *Batman V Superman*. The Man Of Steel would bash the fuck out of the Dark Knight, who's only a human with martial arts and gadgets.

Arnold, NSW

They can make anything work in the world of comic books, Arnold. Superman might lose his powers. Or Batman might gain new ones. And there's always the kryptonite factor…

POPPY Love

Will you be our Russian mail-order bride, Lola?

PHOTOS BY MET-ART

IF THEIR dating sites are anything to go by, those randy Russians get the most right swipes when the ladies' profile pics include dungarees, a garbage heap, a giant deep-sea fish or their crazy vodka-swilling stepfather. Thankfully, backpacker **Lola**, 20, chose to show off in a field of pretty poppies. But she'd look fuckable, even standing in a freezer full of dead fish.

HEY, Lola. Do you really like poppies or are you just into smack?
"Hahaha, it took me a moment to figure out what you meant! I'm definitely NOT into the drugs. They ruin your looks and mine are too good to waste, I think."

Agreed! The shoot's theme is cool – the flowers match the floral designs on the dress you're not wearing.
"I'm not sure why the photographer went with the flowers, but at the time it seemed right! I'm not much of a flower person – if a man wants to impress me I'd prefer he showed me a good time and not waste cash on a bunch of roses!"

What defines a good time, mate?
"Last Valentine's Day my boyfriend surprised me by picking me up from work at lunchtime, then took me to an amazing hotel. We banged on just about every surface that could support ▸

'WE BANGED ON EVERY SURFACE IN THE HOTEL ROOM'

'I SHOWED UP AT WORK SMELLING OF SEX'

our weight, as well as in the pool, jacuzzi and the lift!

Now you're giving us ideas, Lola.

"That evening we went out to dinner and the movies, and got so horny that we ended up fucking in the back of the near-empty theatre! I didn't show up again at work until midday the next day, wearing the same clothes and smelling of sex. Best date ever!"

Your man's a lucky bloke to have you.

"Sadly, I had to dump him 'cos he couldn't handle the fact that I'm bisexual. Currently, I'm seeing a chick I met in my life drawing class that I take every week. We're going slow, but she's eager to explore her sexuality. I feel like the wise old woman, teaching this 18-year-old goddess all about multiple orgasms and the best way to stimulate the clitoris and G-spot!"

Care to give us a few lessons, Lola?

LUCKY DIP

WHO'S your fave movie star, buddy?

"Oh, Leonardo DiCaprio! He's one of those actors who's handsome but can actually act. I can't believe he hasn't won an Oscar yet."

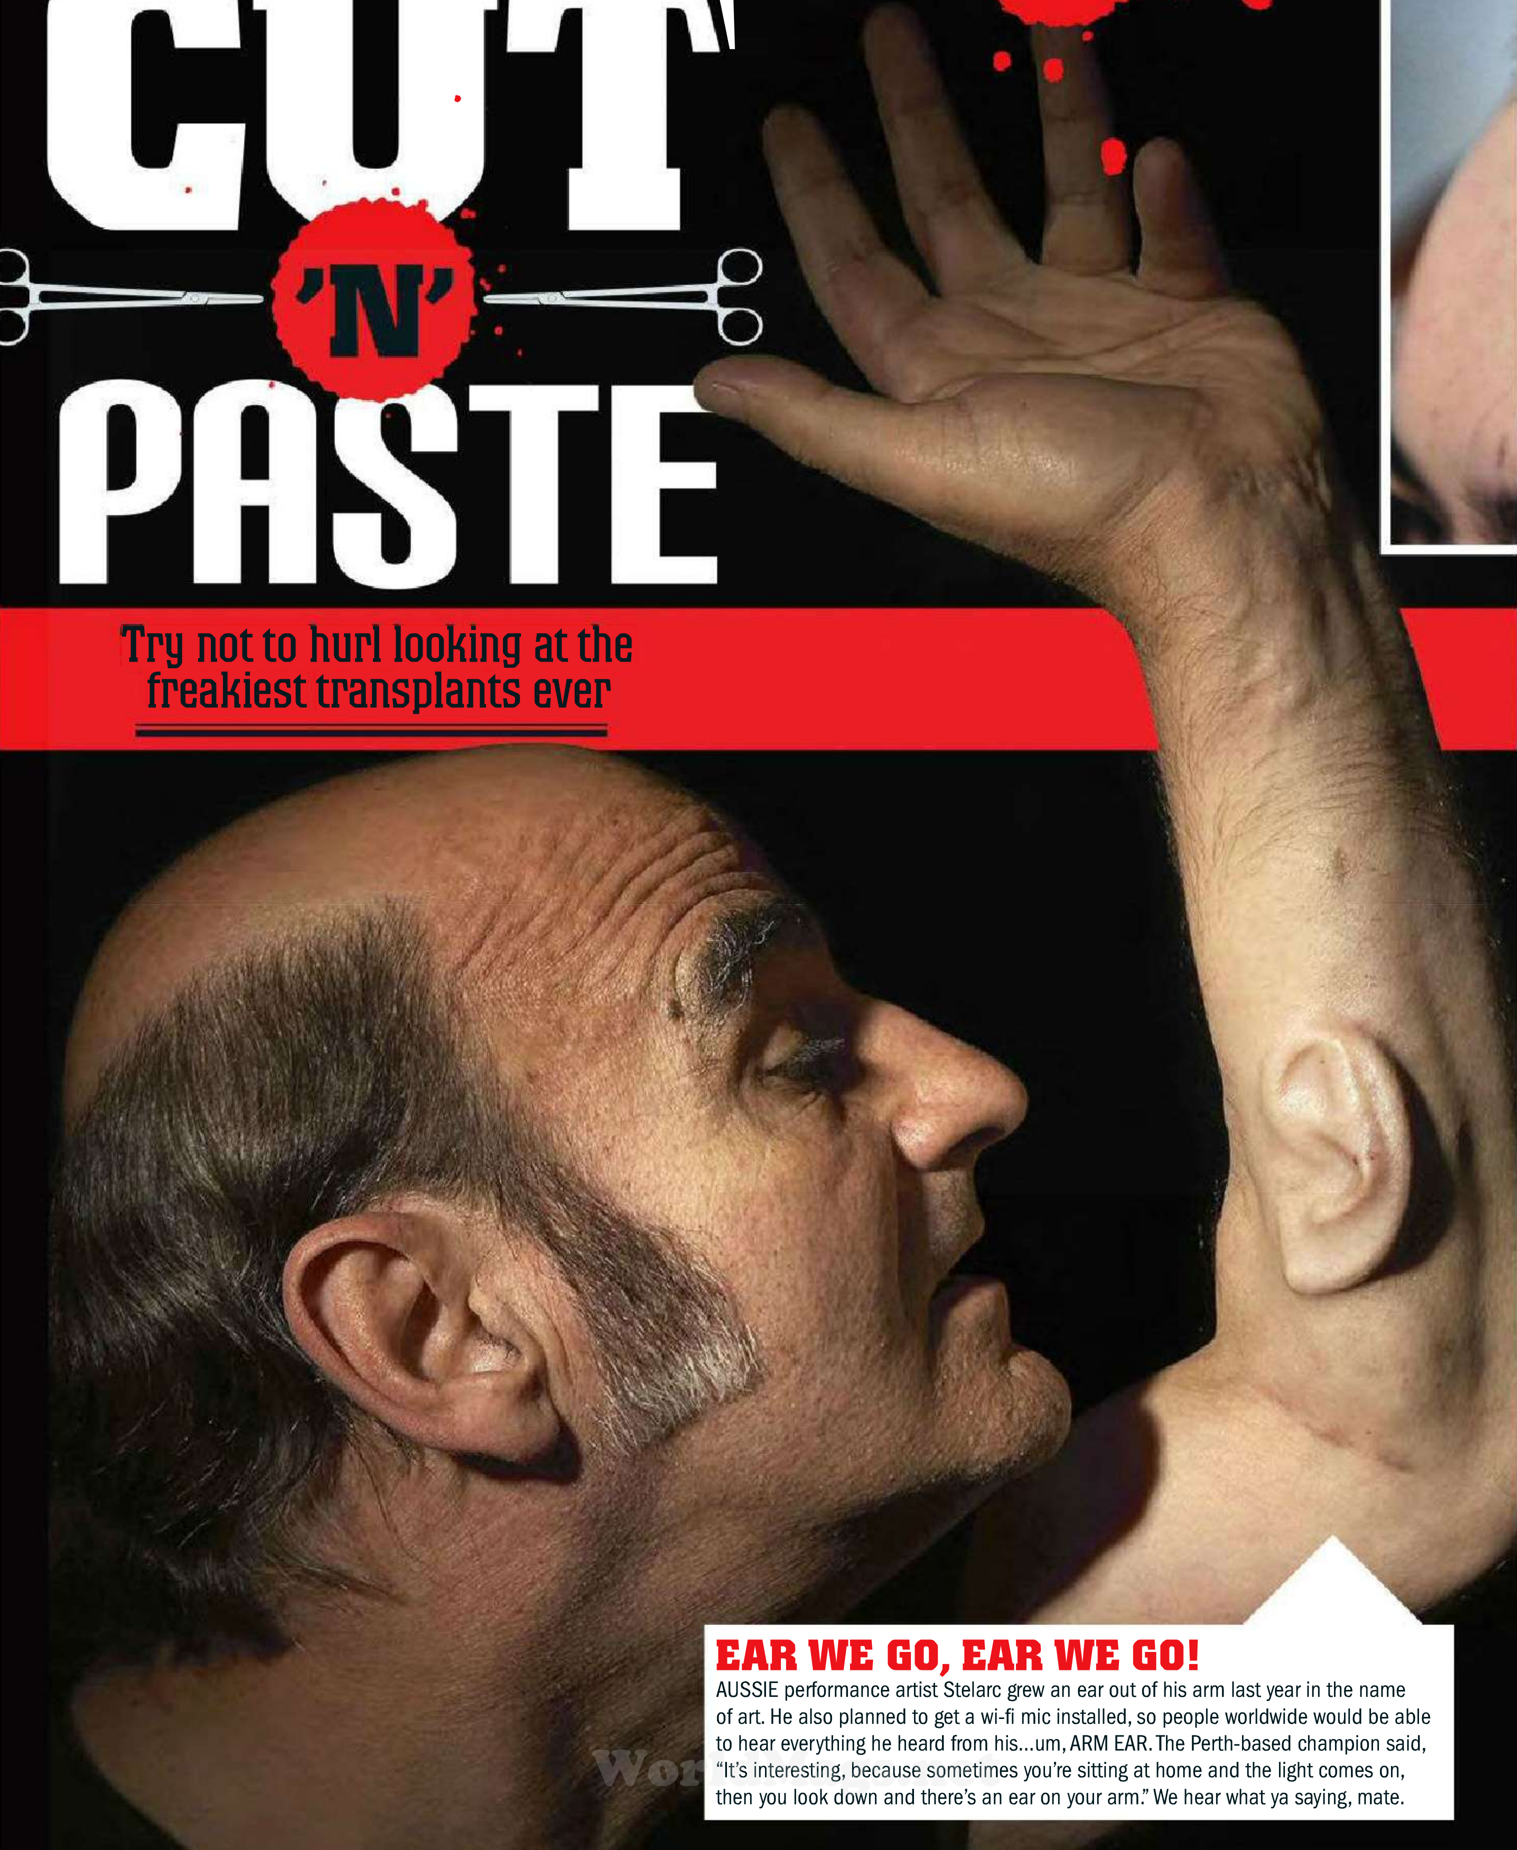
CUT 'N' PASTE

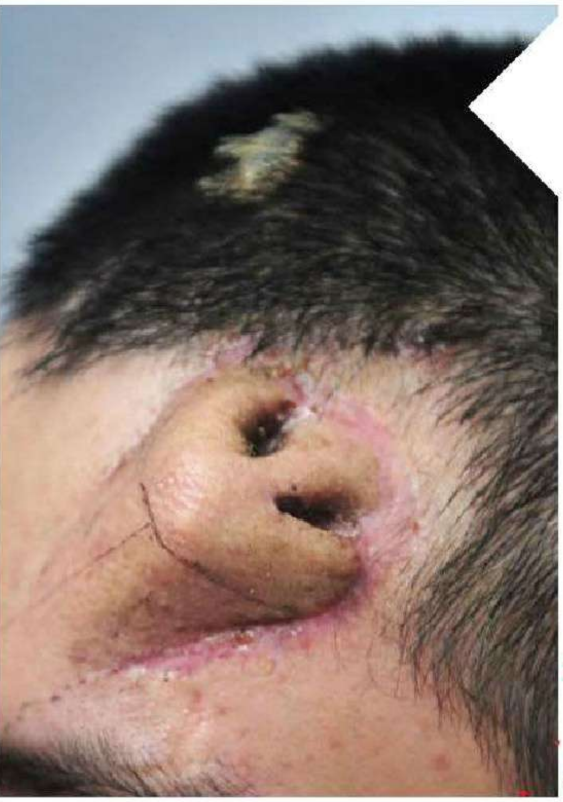
Try not to hurl looking at the freakiest transplants ever



EAR WE GO, EAR WE GO!

AUSSIE performance artist Stelarc grew an ear out of his arm last year in the name of art. He also planned to get a wi-fi mic installed, so people worldwide would be able to hear everything he heard from his...um, ARM EAR. The Perth-based champion said, "It's interesting, because sometimes you're sitting at home and the light comes on, then you look down and there's an ear on your arm." We hear what ya saying, mate.

TRANSPLANTS are taken for granted these days. Medical science has progressed in leaps and bounds at swapping buggered hearts, kidneys and other bits'n'pieces with healthy ones, all so that we can live longer. But occasionally, the transplant business enters BizarroLand as the following gut-churning examples reveal.

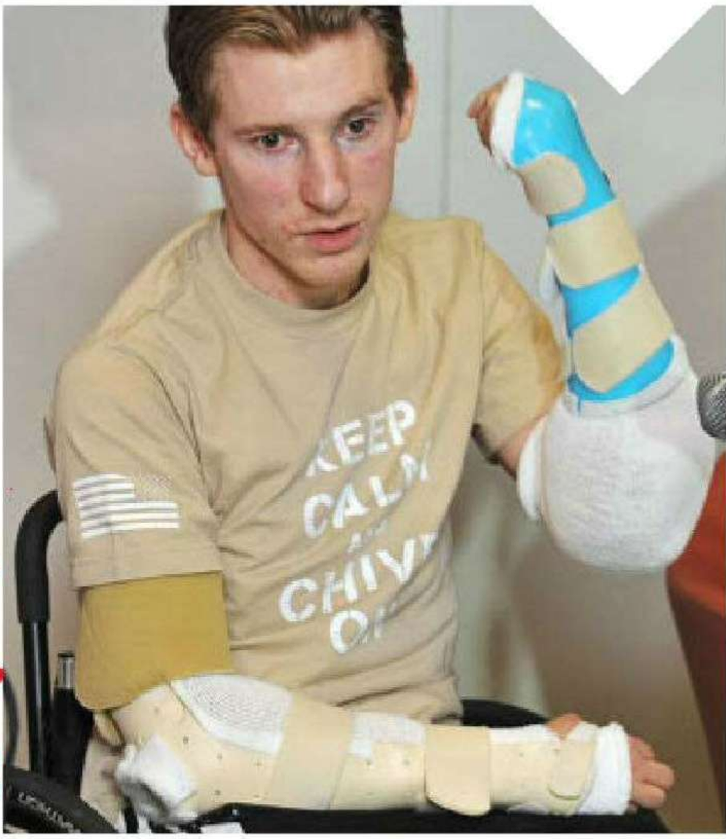


ON THE NOSE

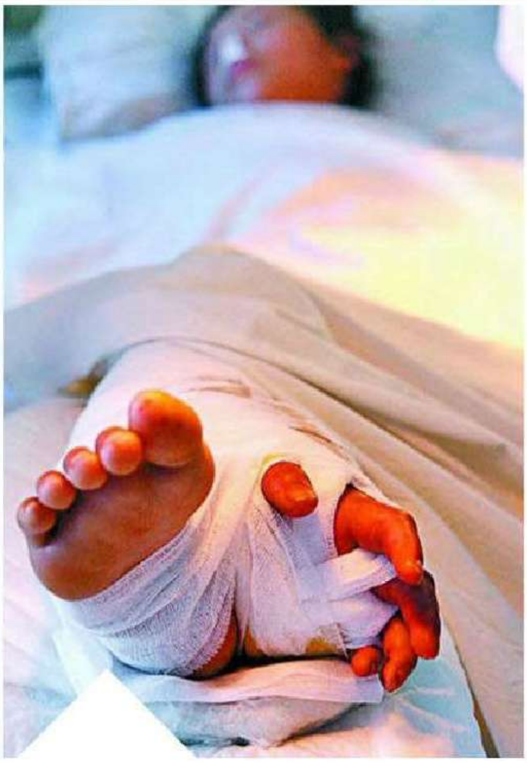
ONE lucky (or unlucky depending on how you view it) Chinese fella needed a new hooter in 2013 after he lost his old one due to an infection. So doctors grew him a new nose...on his forehead. They later moved the schnozz to a more appropriate spot on his face. When horrified reporters asked the patient how he smelled with a nose on his forehead, the smart-arse replied, "Terrible!" Nyuk, nyuk ...er, sorry.

ARMED AND DANGEROUS

SEPPO soldier Brendan Marrocco had his arms and legs blown off by a roadside bomb in Iraq. But did that bother the legend? Hell, no! He told doctors, "Give me some new arms, ya bastards!" And they bloody well did, back in 2012. Brendan was able to use the replacements within a month. The first thing he did? Gave his balls a good scratch, probably.



KEEP CALM AND CHIVE ON

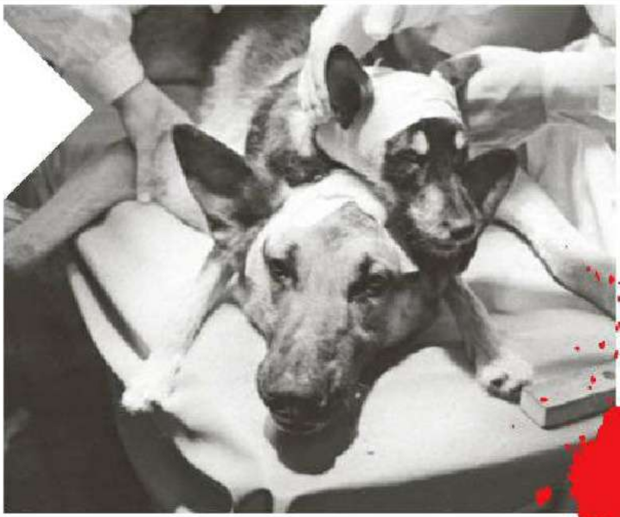


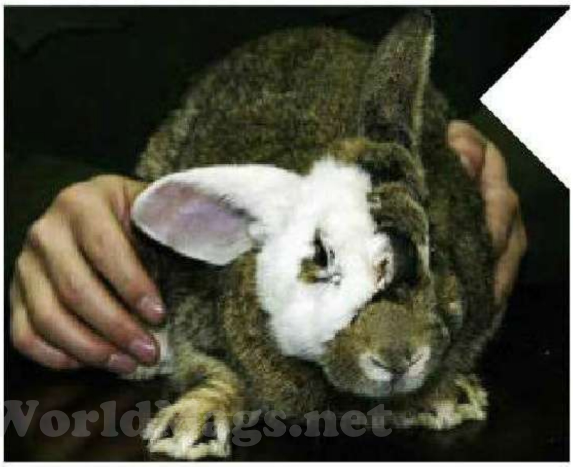
A HANDY TRICK

UNLUCKY Chinese kid Ming Li was on her way to school when she had her left hand ripped off by a runaway tractor. Poor little blighter. Never fear – genius doctors saved the mangled mitt by grafting it to her foot! The hand stayed there for three months until it could be reattached to her forearm. The op was a success, thereby ensuring Ming still has a future as an Olympic table tennis player.

DOGGY STYLE

DEMENTED Commie quack Vladimir Demikhov – who we imagine looked like Doc Emmett Brown from *Back To The Future* – had a particularly cruel and unusual favourite procedure. His party trick? Creating TWO-HEADED dogs for shits'n'giggles. Sadly, all of the unfortunate canines died within a month of being grafted together by the lunatic. Clearly, two heads are NOT better than one.





FACE/OFF

WHEN they're not buying up Aussie real estate or cooking delicious beef'n'black bean, the Chinese also do weird transplants on animals. Like the plastic surgery students who removed half a white rabbit's face and grafted it onto a grey rabbit, which amazingly survived. Why the fuck would anyone do that? We suspect it was so they could show off by posting the pics on their Facebook feeds... except Facebook is banned in China. Dummies.

THE MAN WHO FELL TO EARTH

Starman Bowie enjoyed probing these spunks!

ICONIC rock star David Bowie is no longer with us, but his legacy of awesome tunes and great movie roles will live on for a long time to come.

And no movie role was better than Mr Bowie playing freaky alien Thomas Jerome Newton in Nicolas Roeg's mind-bending *The Man Who Fell To Earth*.

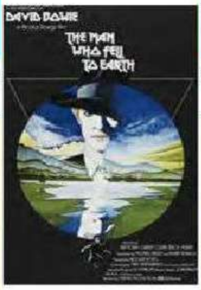
Newton lands on our planet to find water for his dying planet. He uses his superior technological skills to become a billionaire, but comes undone when he confronts all the temptations that Earth has to offer, namely booze and big-boobed women.

Leading the naked assault are **Candy Clark, Linda Hutton, Hilary Holland** and 1970 *Playboy* Playmate Of The Year **Claudia Jennings** (seen right).

Eventually, Newton tells his planet to DRY UP AND BLOW AWAY so he can enjoy daily headjobs from his new pals.

Can't say we blame Mr Bowie. Why worry about *Life On Mars* when you can have a taste of *Modern Love*?

1976



Starring: David Bowie, Rip Torn, Candy Clark, Claudia Jennings
Directed by: Nicolas Roeg
Country: UK

HOT WHEELS!

IT'S a burnout that Satan would be proud of and it happened at Summernats in Canberra. Fans cheered as the back tyre of this injected VE Commodore wagon was consumed by fire, while a guy at Beaurepaires with dollar signs for eyes rubbed his hands with glee.

JAILHOUSE CROC

THREE brave employees at the Australian Reptile Park on NSW's Central Coast feed half a cow to Elvis the 500kg saltwater crocodile for his 50th birthday meal. Personally, we would've just chucked a birthday card at him and run.

DOUBLE PLAY

I'VE had a casual second girlfriend for about five months. It started when I was in Melbourne for work and met a beautiful 20-something brunette in a bar one night – we catch up pretty regularly now.

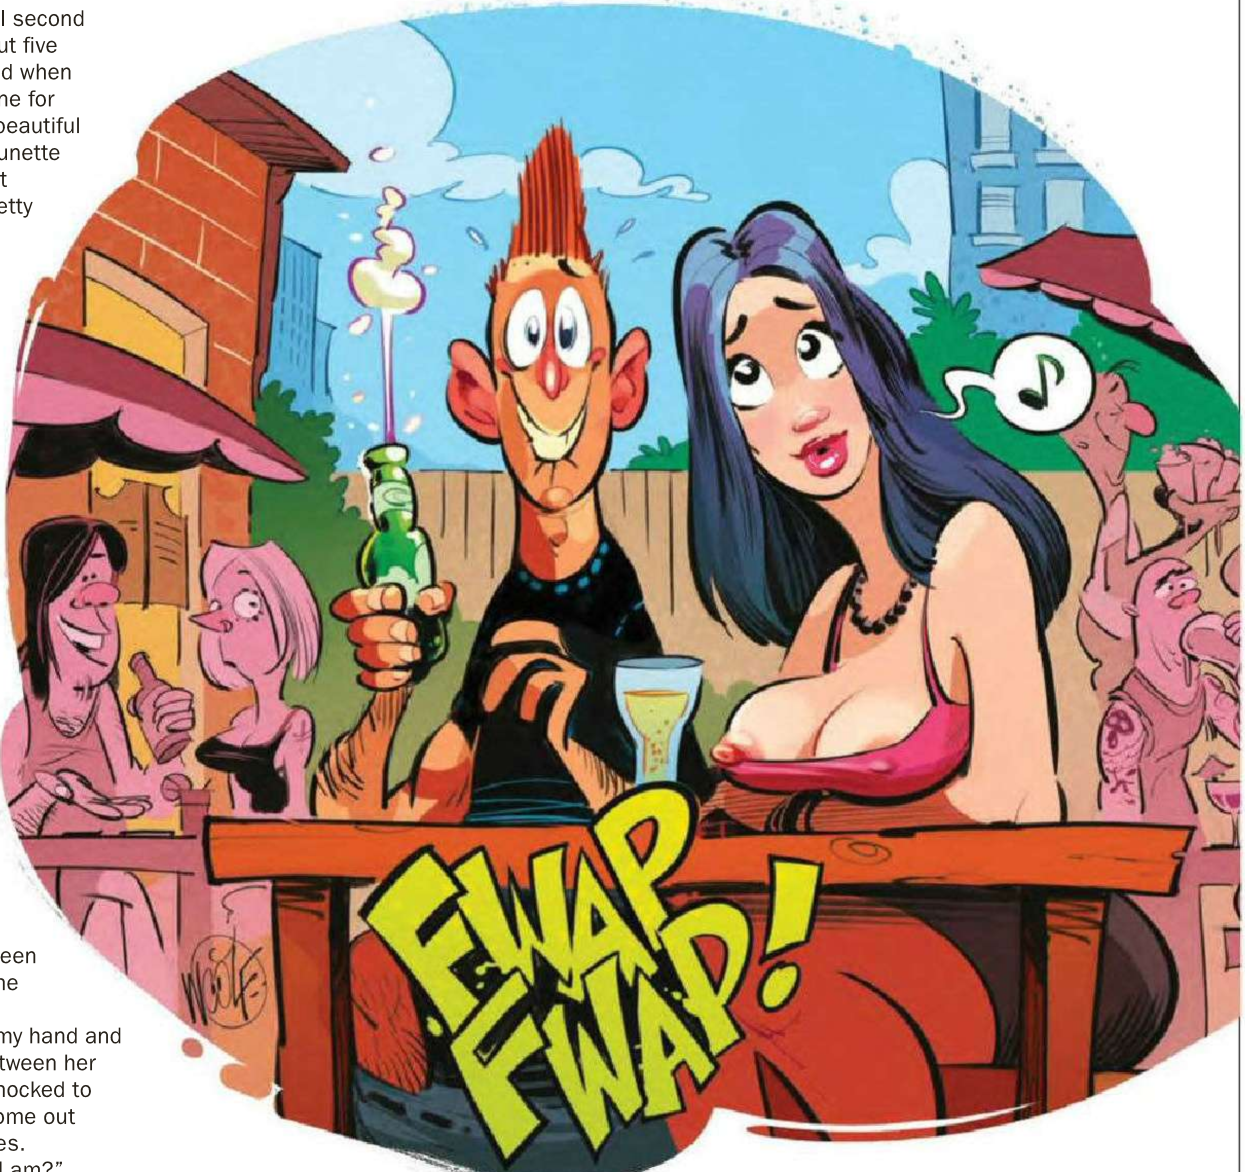
Things aren't TOO serious with my Brisbane gal Trish, but I haven't told her about my Melbourne fling just in case she cracks the shits.

We last caught up in December when Brooke took things to a new sexual level. Sitting in the beer garden sun, Brooke teased about giving me the best root of my life if I dumped Trish and moved down to be with her.

"They've ALL been great, love, but the BEST?" I joked.

Trish grabbed my hand and slyly placed it between her legs and I was shocked to discover she'd come out wearing NO undies.

"See how wet I am?" Brooke whispered, "and I shaved this morning."



I barred up in seconds. Rigid as fuck, I tried to figure out my next move.

I slid my snake out the side of my shorts and grabbed her hand, placing it firmly around my throbbing cock monster. She slowly wanked me off while other punters drank on unawares. I was horny now and just wanted to root Brooke silly before it was too late.

'SHE WANKED ME OFF IN THE BEER GARDEN'

"I need to use the loo. Be right back," I winked.

I got up and looked over my shoulder to see Brooke was right behind me. Clever lass.

We snuck into the toilets and popped the seat down. I pulled her close to me and whispered in her ear to straddle my prick.

She gasped as she plunged onto my rod. I gripped Brooke's arse as she bobbed up and down, then suddenly I exploded hot cum right up her snatch.

I never did give Brooke a response to her request, and the next arvo I was back in Brissie. But I can't wait till my next Melbourne work trip!

CUM HITHER

MY MISSUS chucked me out of the house a few months back after I 'fessed up to letting another woman give me a drunken blowjob.

Things have improved lately, though, with Sheryl letting me come back.

We've even started going on dates again to rekindle our relationship.

One thing that's got better is her ability to give head and her new-found love of sperm.

She wants it everywhere: in her and ON HER – and I bloody love it!

Sheryl was sitting on the couch the other night when I came home from the pub. She mock-angrily demanded my man-seed.

> 'SHERYL DEMANDED I GIVE HER MY SEED'

'Bring your cock to me,' she ordered.

I unzipped my fly and swaggered on over, my magic wand waving proudly in the breeze.

Sheryl proceeded to work my throbbing member with style and elegance, pausing only to ask where I wanted to shoot my chunky taddies.

"Anywhere you want it, Shez," I replied.

She closed her eyes and worked her tongue with relish till my white sauce splattered all over her mouth and chin.

Yeah, things are looking up on the home front again! Fuckin' A!

PLANE JANE

IT'S every man's dream to shag a flight attendant and that's exactly what I've been doing lately.

We met on a domestic trip and hit it off mid-flight. I gave her my number as I was getting off the plane and was shocked when she sent me a text two nights later.

"I've got a hotel room until tomorrow morning if you're not doing anything?" she asked.

I immediately chucked my PS4 controller on the ground, showered and made my way over, not really knowing what was on the cards.

To my disappointment, Jane was dolled up and ready to go out when I arrived, but I didn't let it show and hoped she was just being a tease. She was.

> 'SHE OPENED WIDE & I SAW HER TRIMMED PUSSY'

We were soon back at her hotel room and she turned into a sex kitten!

We started playing with each other, then she relaxed on the bed and opened her legs to present a neatly trimmed pussy.

It was first class! I lapped her juices and savoured it all.

Next, I rubbed the tip of my knob along her pink nether-lips, then eased my meat inside her.

Jane was so slippery and tight that I thought I'd blow my nut straight away.

To be honest, I probably spent more time trying NOT to climax than enjoying this prize root in front of me, but it was still amazing.

It was all too much and I quickly pulled out to jiz on Jane's stomach.

We lay on the bed for a bit to catch a breather. But she started stroking me and it wasn't long before I was ready for another round.

This time, I took her from behind the entire time.

I crashed at Jane's that night and we went for one last hurrah the next morning before she checked out.

Never a failure

THIS is 23-year-old **Liana's** virgin appearance in *People*. We don't know where the bike-riding sex bomb has been hiding all this time but it doesn't matter now. She and her massive cans are here for the entire nation to enjoy! We think 2016 just got a whole lot better.

YOU'RE officially our new dream girl, lovely Liana.

"You could say I'm the ultimate girlfriend – bubbly, the life of a party AND a total sexual being. Life's too short for bad sex."

Damn right! So what's a night with you like, mate?

"We'd be holed up in a five-star hotel somewhere with plush bed linen. Things would start with body kisses for a while to warm each other up. I love oral sex so there'd be some of that, but I'm not into 69s. It just get TOO distracting when I'm trying to give the best head I can!"

What's the perfect position in which to bang your box?

"Doggy style's my favourite. It just feels great – and I'm only little, so I prefer that to me being on top. I also like rooting in a side-on spoon position. That way the man has a hand free to play with my boobs."

'THE MAN NEEDS A HAND FREE TO PLAY WITH MY BOOBS'

And after a root, can we get to know you a bit better over a bike ride?

"I'm like the SHITTEST bike rider ever. Seriously, I'm the kinda girl who walks into walls and is like, 'Fuck, that hurt!' I'm SO unco."

We probably shouldn't have asked you to pose next to one, eh? Let's go shopping instead.

"Sleeping and shopping are two of my favourite things to do. A typical day off work for me includes tanning topless before shopping for lingerie with a fresh juice. I'm slightly addicted to Honey Birdette lingerie, so we'd spend a lot of time with me trying that on."

Done! Can guys your own age handle what you've got, Liana?

"No way – that's why I'm SO attracted to older guys. They're more experienced in and out of the bedroom and know how to properly handle a girl."

That's what Grandad tells us.

Tommie's GUNS

Cum shots…modelling shots…as long as we can see her tits!

PHOTOS BY PHOTODROMM

THERE was once a time when Essex spunk **Tommie Jo** and her 32Es would probably be found in a mansion getting fucked to her heart's content in front of a video camera by a big-tooled fella called Chad or Mandingo.

But like Madonna and the late David Bowie (God rest his soul) before her, TJ's an artistic chameleon, who's channelling her glamma side these days, rather

FEMME FACTS

Name: Tommie Jo
Age: 29
From: Essex, England
What's the guts? TJ pretty much does what she wants. As long as the former pornster's doin' it naked, we don't mind one bit!

than cramming her smoo with cock for cash.

But the important thing is Tommie Jo's still GOT HER BOOBIES OUT.

Sadly, the 29-year-old had to put them away temporarily when she appeared on Brit TV show *Dating In The Dark UK*, allowing three schmucks to battle it out for a chance to find love with TJ.

Or at least cop a feel of them humongous hooters with the lights out.

Either way, we're jealous. If WE were going on national telly to woo our future wife and her epic bosoms, we'd do what all gals recommend blokes do and that's get to know HER first.

"How the fuck do you do that?" we hear youse say.

Ask her some questions, stupid! The first thing we'd like to find out is what the lady in question looks for in a man. It's as good a start as any.

'I'M MORE INTO COLIN FARRELL THAN COLIN FIRTH'

"I go for the Colin Farrells rather than the Colin Firths," Tommie told a surprised passer-by.

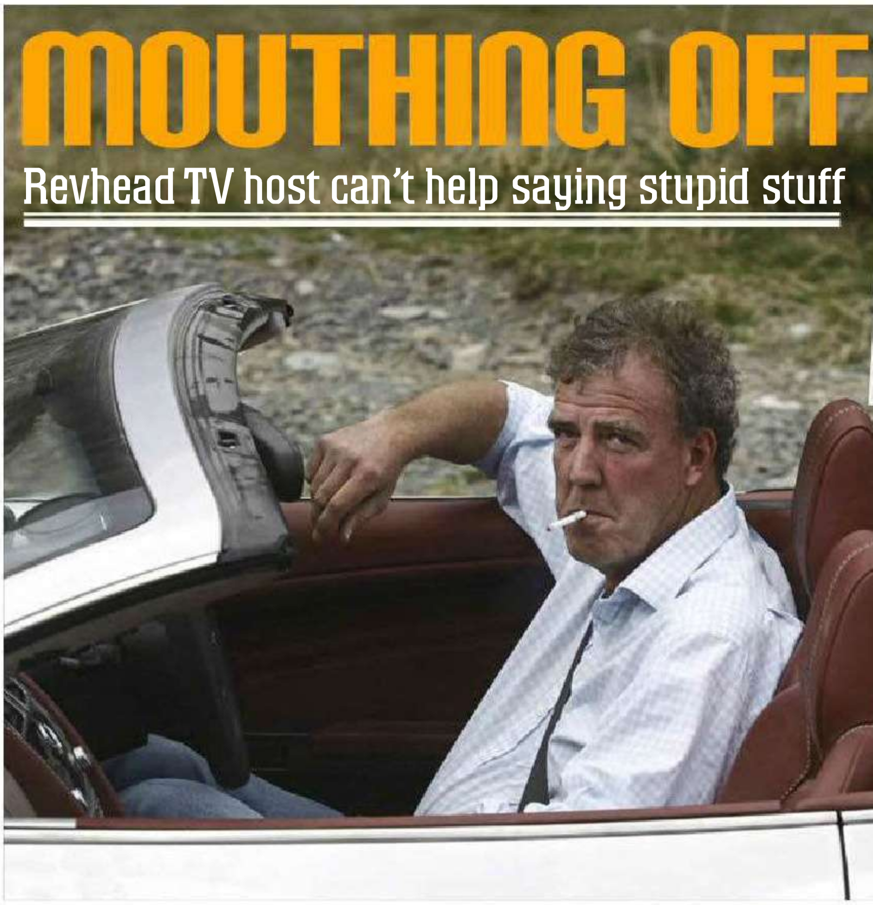
Soooooo, she likes guys who look like CUNTS. That's handy information to know. Anything else?

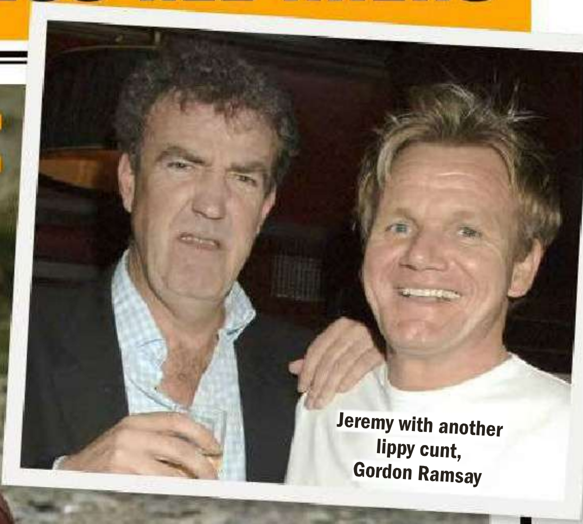
"My biggest hobby is probably dancing – I've been doing it since I was young and have appeared in a few music videos, too. It's my life."

Well, we watched *Saturday Night Fever* once – or was it *Breakin' 2: Electric Boogaloo*? – so we're set.

MOUTHING OFF

Revhead TV host can't help saying stupid stuff





Jeremy with another lippy cunt, Gordon Ramsay

THERE are celebrities addicted to booze. There are celebrities addicted to drugs. There are celebrities addicted to sex. Some manage to juggle all three at once, the clever buggers. But **Jeremy Clarkson**'s different. He's addicted to PISSING PEOPLE OFF.

And as far as we know there's no rehab centre for that.

So when his new show on Amazon Video airs sometime this year, we confidently expect he'll be compulsively insulting anyone and everyone he can, whenever he can.

He's been doing it for years on *Top Gear*, so there's no reason to think he'll stop stuffing his over-sized feet into his even bigger gob now.

You'd be hard-pressed to nominate a race, nation or religious group he hasn't sunk the slipper into during his 13 years on the TV mega-hit.

Burka-wearing women copped it in 2010 when he declared, "Honestly, the burka doesn't work. I was in a cab the other day when a woman in a full burka crossing the road in front of me tripped over, went head over heels and up it came, red G-string and stockings."

In Thailand, he insulted Asians when he commented as a local walked across a newly built bridge towards him, "That is a proud moment – but there's a slope on it."

'SARAH JESSICA PARKER LOOKS LIKE A BOILED HORSE'

To which his offsider Richard Hammond replied, "You're right, it's definitely higher on one side." Got his arse kicked big-time for that one.

The French are a favourite target. When reviewing a new Renault Jezza remarked, "In typical French fashion it just gives up. A bit like the French did with the Germans."

While reviewing the Lotus Elise he concluded it was "more fun than the entire French air force crashing into a fireworks factory".

He hates the USA: "Everyone's very fat, everyone's very stupid and everyone's very rude".

Clarkson reckons Segways were invented "so fat Yanks can get to the fridge without expending any energy".

He gave the Indians a serve, driving around a slum there in a Jag with a toilet in the boot and remarking, "This is perfect for India because everyone who comes here gets the trots."

However, it's not just other nationalities that cop it. There's

🗣 *Sex And The City* star Sarah Jessica Parker ("She looks like a boiled horse")

🗣 Public transport users ("I don't understand bus lanes. Why do poor people have to get places quicker than I do?"), AND

🗣 Truck drivers ("What matters to lorry drivers? Murdering prostitutes? Fuel economy? This is a hard job: change gear, change gear, change gear, check your mirrors, murder a prostitute").

Add a bit of on-camera drink-driving and the assertion that "no-one ever looked good in a four-door convertible except Adolf Hitler" and you'd have to say that Clarkson has pretty much covered all bases.

So what are the chances of him playing nice and toning down the pissing-off quotient in his new show?

Not gonna happen. The guy is, as we said at the start, hopelessly addicted. And addictive viewing, which is why Jeremy keeps getting away with this crap.

WIN STUFF!

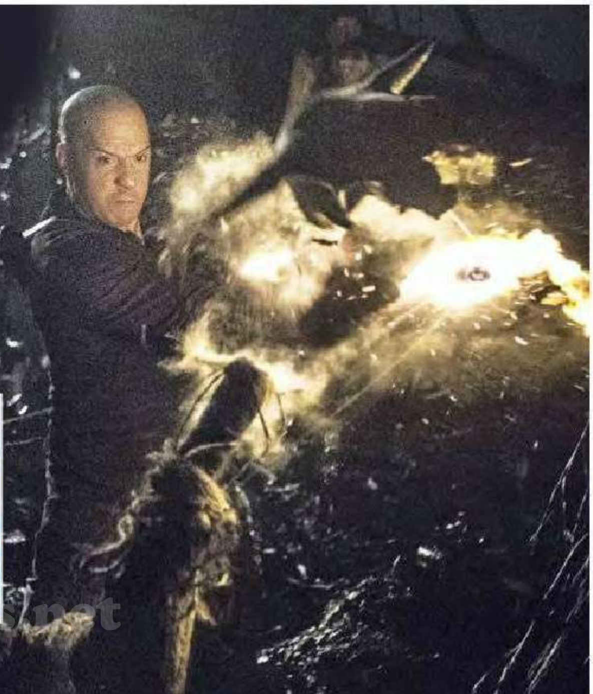
EVEREST

Universal Sony, rated M, out now, RRP: $39.95 (DVD)/$44.95 (Blu-ray)/$49.95 (3D Blu-ray)
What's the guts? Mt Everest is pretty fucking high, eh? That's why hundreds of brave punters try to climb it every year. This action flick follows the adventures of one group of mountaineers as they prepare to scale the world's tallest hill. They are tested to the limit by extreme cold, a lethal snow storm and possibly Yetis. They should have stuck to climbing something safer like Mt Isa or Rooty Hill instead, we reckon.
Anything else? This epic yarn – and we do mean EPIC…it goes for nearly three hours! – is based on a true story and stars Jake Gyllenhaal, Keira Knightley and Aussie's own Sam Worthington. Just make sure you go to the toilet before the fillum starts and you'll be alright.
Final word: Worth the climb.

WIN! THE high-climbing heroes at Universal Sony have sent us FIVE DVDs for this contest. To enter, **just tell us IN ONE SENTENCE the most impressive thing you've climbed**. The five most nosebleed-inducing answers will score a DVD. Mark your entries "*Everest* comp".

The Last Witch Hunter

eOne, rated M, out Feb. 3, RRP: $34.95 (DVD)/$39.95 (Blu-ray)
What's the guts? Don't be fooled by that four-eyed git Harry Potter or that wanton hussy Samantha from TV's *Bewitched*. As any televangelist will tell you, wizards and witches are plain fuckin' bad news and should be beheaded, burnt and bum-fucked with a chainsaw whenever possible. The immortal Kaulder understands that, which is why he's devoted his life to hacking, dicing and slicing every witch he comes across. But he better step up his game 'cos a new plague of the pointy-hatted bastards is poised to wipe out the human race.
Anything else? This film had us hooked when we learned it starred Michael Caine, who is seriously our favouritest fucking actor ever. But add Vin Diesel (who plays Kaulder) to the mix and it makes us wanna watch this movie ASAP. In fact, we want *The Last Witch Hunter* more than we want an ice-cold schooie of VB. And we really, REALLY want an ice-cold schooie of VB right now!
Final word: Saving the best for last.



VIN DIESEL
THE LAST WITCH HUNTER

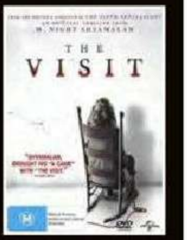
WIN! THE battling beauties at eOne have posted FIVE DVDs to us to give away. To enter, **just tell us IN ONE SENTENCE your fave TV or movie witch.** The five most spellbinding answers will get a DVD. Mark your entries "*The Last Witch Hunter* comp".

IMPORTANT!
Send entries to: *Win Stuff!*, c/- *People*, GPO Box 2860, Sydney, NSW 2001. Or email them to people@bauer-media.com.au. Entries close at 5pm on March 4.

The Visit

Universal Sony, rated M, out now, RRP: $39.95 (DVD)/$44.95 (Blu-ray)

What's the guts? Remember how shit it was visiting your grandparents when you were a kid? Gran always wanted to hug you, even though she smelled like mothballs and piss, and she only ever offered you years-old barley sugars from a dusty bowl in the living room. Meanwhile, Grandad just raved on and on and on about the time he went to the cricket and saw Bob Simpson take all day to score a half century. Fuck, talk about mental torture. Still, at least they never wanted to KILL YOU, unlike the creepy bastards in *The Visit*. Two young kids are sent to their grandparents' isolated farm for a holiday. Everything starts out well, but when they discover that the old cunts are up to something sinister, their lives are soon in peril. Which is worse than a crappy barley sugar, we guess.



Anything else? One-time wunderkind M. Night Shyamalan (*The Sixth Sense*) directs this fear-filled fillum...but don't hold that against *The Visit*. It's actually very good.

Final word: Grandparents...can't live without them, CAN die with them.

Hey, kids. It's time for a game of "Catch The Axe"

WIN!

WE HAVE FIVE DVDs on offer, courtesy of our chums at Universal Sony. To enter, **just tell us IN ONE SENTENCE the wackiest childhood experience you had with a grandparent**. The five weirdest answers will win a copy. Mark your entries "*The Visit* comp".

We reckon good things come in small jeans!
